Section B.

Reimbursement for Ordinary Out-of-Pocket Losses

If you incurred unreimbursed costs, losses, or expenditures in responding to Notice of the Data Security Incident that were incurred between February 17, 2023, and the Claims Deadline, you may be eligible to receive a payment to compensate you for these costs, losses, or expenditures.

Ordinary Out-of-Pocket Losses may include, without limitation, the following: (1) costs associated with accessing or freezing/unfreezing credit reports with any credit reporting agency; (2) other miscellaneous expenses incurred related to any Ordinary Out-of-Pocket Losses such as notary, fax, postage, copying, mileage, and long-distance telephone charges; and (3) credit monitoring or other mitigative costs.

*If it is verified that you meet all the criteria described in the Settlement Agreement, and you **submit proof** of your unreimbursed costs and expenditures and the dollar amount of those costs and expenditures, you will be eligible to receive reimbursement of up to **\$500.00**.*

Documentation supporting Ordinary Out-of-Pocket Losses can include receipts or other documentation not “self-prepared” that documents the costs incurred. “Self-prepared” documents, such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support to other submitted documentation.

Providing adequate proof of your unreimbursed costs, losses, and expenditures does not ensure that you will be entitled to receive the full amount claimed. All Claims will also be subject to an aggregate maximum payment amount, as explained in the Settlement Agreement. If the amount of Ordinary Out-of-Pocket Losses exceeds the funds available under the Settlement Agreement, then Claims for Ordinary Out-of-Pocket Losses and Attested Time will be reduced on a pro rata basis. If you would like to learn more, please review the Settlement Agreement for further details.

Approved Claims for Ordinary Out-of-Pocket Losses will be paid directly to you electronically, unless you request to be paid by check as indicated below. For each unreimbursed cost or expenditure that you incurred in responding to Notice of the Data Security Incident, please provide documentation supporting the cost or expenditure and, if the nature of the cost or expenditure is not apparent from the documentation alone, a brief description of the documentation describing the nature of the cost or expenditure.

You must provide ALL this information for this Claim to be processed. Supporting documentation must be submitted electronically or mailed to the Claims Administrator. Please make electronic submissions as part of this Claim Form at www.greatexpressionsdatasettlement.com and provide the additional information required below. **If you fail to provide sufficient supporting documentation, the Claims Administrator will deny your Claim.** Please provide only copies of your supporting documentation and keep all originals for your personal files. The Claims Administrator will have no obligation to return any supporting documentation to you. A copy of the Claims Administrator’s privacy policy is available at www.greatexpressionsdatasettlement.com. Please do not directly communicate with Defendants regarding this matter. All inquiries are to be sent to the Claims Administrator.

Examples of such costs, losses, or expenditures include (1) costs associated with accessing or freezing/unfreezing credit reports with any credit reporting agency; (2) other miscellaneous expenses incurred related to any Ordinary Out-of-Pocket Loss such as notary, fax, postage, copying, mileage, and long-distance telephone charges; and (3) credit monitoring or other mitigative costs. These are only examples and do not represent a complete list of costs, losses, or expenditures eligible for reimbursement.

Reimbursement for Extraordinary Losses

If you incurred unreimbursed costs, losses, or expenditures that are fairly traceable to the Data Security Incident and not reimbursable as Ordinary Out-of-Pocket Losses, you may be eligible to receive a payment to reimburse you for these costs, losses, or expenditures.

Providing adequate proof of your unreimbursed costs, losses, and expenditures does not ensure that you will be entitled to receive the full amount claimed. Approved Claims for Extraordinary Losses will be paid directly to you electronically, unless you request to be paid by check as indicated below.

For each unreimbursed cost, loss, or expenditure you incurred that is fairly traceable to the Data Security Incident and not reimbursable as Ordinary Out-of-Pocket Losses, please provide documentation supporting the cost or expenditure and, if the nature of the cost or expenditure is not apparent from the documentation alone, a brief description of the documentation describing the nature of the cost or expenditure.
